

FoodBuk update is completed. Now any user worldwide can become an editor, submit recipes, and get paid. A risk-free taste of the crypto world. Download today on PlayStore and App Store.

KUPP Game is also ready for download. Sign-up for free and explore all of the entertaining ways to engage & earn crypto. No fine print, no obligations, just a risk-free space to play & earn.

We're just getting started in establishing the \$KUPP ecosystem. Now with 2 apps fully integrated with \$KUPP, we are ready to amp up our future integrations. \$KUPP is a one-of-a-kind "Proof of Service" token, paying users for the time they spend on the apps. The more time you spend, play, watch, submit - the more you earn. It's really that simple!
